DRAWER WARMERS

Models HDW-1, -2, -3, -4 HDW-1N, -2N, -3N HDW-1B, -2B, -3B HDW-1BN, -2BN, -3BN

Hold everything from meat to vegetables to rolls in the Hatco Drawer Warmer. Each Drawer features adjustable sliding vents and individual thermostatic controls to hold a wide variety of hot foods safely for peak serving periods.

FLEXIBILITY

Available in 1-, 2-, 3-, and 4-drawer *freestanding* models built of rugged stainless steel with durable nylon rollers, stainless steel slides, and heavy-duty hardware. Each drawer has a recessed on/off switch, thermostat, temperature monitor, and vent slides to control humidity. Standard 20¾" x 12¾" x 6" (527 x 324 x 152 mm) pans that lift straight out of standard width units are supplied with each drawer. A larger food pan 20" x 15" x 5" (508 x 381 x 127 mm) with drawer frame is optional. Also available as 1-, 2-, and 3-drawer *built-in* units and *narrow freestanding* and *built-in* models.

The insulated top and sides of the Hatco Drawer Warmer provide maximum energy efficiency and the heating elements are warranted for two years.

Freestanding units come with 6' (1829 mm) cord and plug. A 4' (1219 mm) flexible conduit is standard with built-in units.

An optional water/spillage pan and splash baffle are available to create a humidified environment.

QUALITY

The following features assure the finest performance for years to come:

- Available in narrow and standard widths, built-in or freestanding models.
- Each drawer has a recessed individual thermostatic control, temperature monitor, and on-off switch.
- Heavy-duty drawer slides with nylon rollers and adjustable sliding vents on each drawer.
- Standard 20¾" x 12¾" x 6" (527 x 324 x 152 mm) pan supplied with each drawer lifts straight out of standard width Drawer Warmers.
- Optional oversized drawer and pan 20" x 15" x 5" (508 x 381 x 127 mm) available.
- Optional heavy-duty casters available for portability.
- Completely insulated individual cavities provide maximum energy efficiency.
- Two-year warranty on heating elements and drawer rollers and slides.

METAL SHEATHED HEATING ELEMENTS GUARANTEED AGAINST BURNOUT AND BREAKAGE FOR TWO YEARS.
