**HDC-35A**

**HDC-50A**

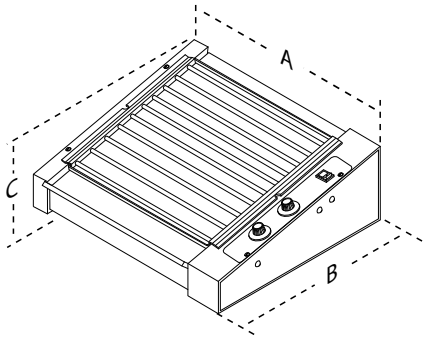

Turn hot dogs from an afterthought to a must have. The Hot Dog Corral sears in the flavor by basting hot dogs in their own juices as they move along the heated grill surface. Maintain the grill temperature with the adjustable thermostat to keep hot dogs tasting fresh for up to six hours. With only one moving part, this unit is easy to operate, clean, and service.

## Features

- Accommodates most sizes of hot dogs.
- Slanted grill surface for increased visibility.
- Precision thermostats for maintaining grill temperature.
- Easy to operate, clean, and service.
- Optional food shields available.
